

Camping Le Clos Auroy

INFORMATION

Firstly we would like to thank you for the interest you have shown in our camp-site and we are therefore more than willing to give you some information concerning the camp-site and its surroundings.

The camp-site is situated at about 300 metres from the centre of the picturesque village of Orcet. Orcet is situated at approximately 10 kilometers south of the city of Clermont-Ferrand. Orcet is a little village with 2500 inhabitants. This mediaeval village has got some very old houses and narrow alleys. In earlier days there used to be a lot of wine-culture in this area, this wine used to be stocked beneath the houses in wine-cellars. Therefore there are still a lot of houses which possess a peculiar entrance. There are still some wine-growers left who sell their wine to tourists. In Orcet within walking distance from the camp-site there are several shops, amongst them two bakeries, two hairdressers, a few bars, a restaurant, a grocery-shop, some wine-growers, a postoffice, a pharmacy, etc, etc.

Orcet is situated within two Nature Reserves, namely the "Parc des Volcans d'Auvergne" and the "Parc Naturel Regional Livradois Forez". The "Parc des Volcans", is the most famous due to the "Puy de Dome", which is well known for the Tour de France. In this unique area with nearly 80 volcanoes, you will be able to find craters, brooks, lakes, rivers and splendid views, Romanesque villages and many castles. This area is unique and you can take many beautiful walks (\pm 600 miles of walks). It really is an eldorado for the nature lovers.

Our camp-site is fairly new. The camp-site has been provided with all the facilities anyone could wish for, the sanitary blocks are warmed during cold

days and winter. We can assure you that our campsite is situated in a wonderful environment and lies at only 3 kilometers from the toll-free A-75 motorway Clermont-Ferrand – Montpellier.

Most of the activities are situated near the camp-site. Within 50 meters from the camp-site you will find a large playground for little children, two tennis-courts, a jeu-de-boule lane and a paddling-pool for children. A little bit further at a range of 500 meters from the camp-site, you will find a fishing-lake. There is also the possibility of canoeing as well as hang-gliding and parachute-jumping.

At the campsite itself you will find a play-ground, a swimming-pool and ping-pong tables. We often arrange activities ourselves for our guests as well. Our camp-site has 85 pitches, all the pitches are flat, staked out and measure 100 M2 on average. They are all so all provided with an electricity connection (10 amps). There is also the possibility to drain off or to fill up the water of your mobilehome. Animals are admitted on condition that they remain tethered on the camp-site, are not left unattended and are exercised off the camp-site. Our sanitary facilities are new and comply with all modern requirements. They are divided into three separate blocks and are easy to reach. They are also at all time provided with warm water so, you can take a shower or do the dishes, or wash your laundry whenever you want. There are also washing/drying-machines which you can use at a reasonable price.

The whole camp-site is fenced and at night nicely illuminated. The managers of the camp-site are Dutch and French, they all so speak English which can be an advantage should you be in need of a doctor and you are not able to speak French.

Our camp-site has a bar where you can buy refreshments, icecream, candy and ice-blocks. You can also buy a snack and eat it in the bar, terrace or to take it away. In the village is a small grocery store where you can buy nearly everything. In the summer you can also have bread. The bakkert is daily at 9 o'clock at the gate. We can provide you with lots of information about the surroundings of the camp-site. Therefore we have already created several nice trips by car or on foot for you. As you can see this can be the beginning of an unforgettable holiday. We see it as our duty to make you feel comfortable during your holiday.

It is quite easy to reach our camp-site. You just follow the traffic-signs on which Clermont-Ferrand is indicated. In Clermont-Ferrand you follow the signs "Montpellier A-71 / A-75". After this you reach the toll-free A-71 / A-75 where you take junction/exit number 4 or 5 towards Orcet. From here its only 3 Km to the camp-site. Orcet as well as the camp-site are clearly signposted so you will not get lost.

We hereby hope to have given you the information for which you have enquired and we also hope too welcome you in the near future on our camp-site. If you would like to enquire more specific information you can always call us.

We hope to see you soon.

Yours Sincyerclly,
